Who We Are?

- The import and export department at **El-Fares** Company specializes in trading dealings in Germany in particular and the European Union countries in general. We adhere to European Union standards only in all our dealings.
- Our dealings in Egypt begin through our office and branch in Germany "Munich" in import and export operations. We only deal in products of very high quality and complete papers and certificates which is necessary for quality standards and in accordance with the European Union standard specifications.
- We always strive to open a circle of long-term relationships with suppliers and customers between Egypt and the European Union countries, especially Germany.
- We adhere to the full documentary cycle in our transactions according to ISO 9001:2015 instructions. We also always strive to satisfy our customers, commitment and trust.

Vision

- We established longer and closer working relationships with our clients and supplier not only provide immediate and reliable service but to continually exceed expectations and goals.
- We strive to develop our customers and suppliers base and always looking for trust in our dealings and continuing the process of evaluating suppliers and customers and we strive to deal only in products with the highest quality at the most appropriate price.

- We specialize in all items that can be exported from Egypt to Germany and the European Union countries and vice versa in all permitted fields.
- We always look forward to satisfying our customers by adhering to quality and all required standard specifications, taking into account prices and using the most accurate documentary cycles to organize all work processes in an official manner.

Mission

Why Choose Us ?

- We have an integrated import and export company in Egypt and commercial relations for 25 years in various high-quality Egyptian products and all the required capabilities in Egypt to practice import and export.
- We have a branch of our company whose activity is import and export in Munich, Germany we are developing it to become an international trade center that serves all our customers in Germany and the European Union countries.
- Flexibility in transactions between Egypt and Germany, as the goal is to deal in everything that is suitable for import and export.
 - We only deal in high-quality products.
- Providing suitable prices, providing all certificates and papers required for Egyptian customs and German customs.
- Contracting with one of the best international shipping companies on the global level.
- We take into account the time factor in delivering goods and proper storage.

Export Departement

El-Fares Company seeks to be one of the best exporters from Egypt to Germany and the European Union countries and to adhere to all standard specifications and approved certificates and exchange experiences in order to be contributors to raising the Egyptian economy.

Accordingly, we studied the Egyptian market and the German market and identified the best products that are manufactured and produced in Egypt and conform to the specifications.
